Training Matrix			
	Please <u>download</u> and complete the required NASC training matrix. After you have completed this, please re-upload under section 5.01.		
	YOU MAY UPLOAD YOUR OWN MATRIX A	S LONG AS IT INCLUDES THE SAME	
5.01	Please attach evidence of training of scaffolders and include full name, CISRS number, NI number and type of training details.*		
	The NASC is committed to the full registration of site employees under the CISRS scheme.		
5.02	Please provide details of any additional training planned by the company.*		
5.03	Provide details of induction training for new employees, or attach your induction form.*		
5.04	Please attach evidence that training has been undertaken for operatives in key NASC latest guidance SG4, SG6 and TG20 including NASC training DVD and issue of pocket guides.*		
	For further information on training aids please visit www.nasc.org.uk		
5.05	For companies that use system scaffolding please provide evidence of product training.		

5.06	How does the company ensure that all management and employees with supervisory responsibilities are trained and kept up to date with all NASC safety and technical guidance issued?*	
5.07	Please provide evidence eg site audit reports, to demonstrate the routine effective supervision / monitoring of site operatives.*	
5.08	Please provide a list of operative's full names and dates of CPD courses attended in the last 12 months.*	
5.09	Please confirm your company fully complies with the NASC statement on CPD which can be found below.* "Employers will fund the CPD course fee and reasonable associated costs	
	of attendance, including wages, for scaffolders in their direct employment as at the date of CISRS Scaffolder and CISRS Advanced Scaffolder card renewal. As with other employer funded training, such funding may be linked to Training Agreements."	

6. Health & Safety

Safety Schemes In Procurement (SSIP):

IMPORTANT – NASC requires all companies to provide evidence of SSIP accreditation through a recognised scheme.

NASC is a SSIP Registered Member and can offer FREE assessments to existing full contracting members and prospective members as a benefit of NASC membership.

If you wish to apply for SSIP accreditation through the NASC please visit https://ssip.nasc.org.uk to complete your assessment. A SSIP certificate will be sent to your company valid for 12 months once you have been successful.

Your company will then be able to qualify for all other SSIP schemes (CHAS, SMAS, Acclaim etc) via the 'Deemed to Satisfy' route.

Please note: New NASC member applicants must hold a valid SSIP certificate before completing a membership application.

6.01a Please provide a copy of a construction-related H&S scheme certificate registered under SSIP (eg CHAS, Acclaim, SafeContractor, or NASC SSIP) completed within the last 12 months.*

Please visit https://ssip.org.uk/ members/ to view a list of recognised SSIP schemes.

6.01b Do you hold BS OHSAS 18001
Health & Safety Management
System certification, provided by
a UKAS accredited certification
body? If yes, please attach your
company's certificate.*

If applicable, please ensure your accreditation includes the SSIP membership 'bolt on'.

6.02	Please provide:* (i) Harness/Lanyard examination procedure including for failed harness/lanyard disposal process (ii) Recently completed safety harness/lanyard issue document (iii) Recently completed safety harness/lanyard inspection record (vi) Training certificate for harness inspector	
6.03	Please provide a copy of your procedures for identifying a rescue plan for work at height.*	
6.04	Please provide a completed PPE Issue Record.* Note: This must include a list of all items of PPE deemed necessary by the company to ensure a safe system of work, and be signed and dated by the receiving operative.	
6.05	Please provide the calibration certificate for your pull test equipment*	
6.06	Provide evidence of tie testing for 2 recent contracts to confirm that the company carry out testing of wall anchor ties in accordance with NASC Guidance note TG4.*	
6.07	Does the company hold a HSE Asbestos Ancillary Licence? If yes, please provide a copy and record details below.*	

6.08 Is, or has, the company been under HSE investigation, or received any Convictions, Prohibition Notices, Improvement Notices &/or other letters of concern which have been served on the company during the past 5 years. If yes, please attach details.

7. Product

Please Note:

This section applies to the purchase of new scaffolding product. Reference should be made to NASC product purchasing guidance notes PG1:18 – PG6:18...

7.01 Is EN 39:2001 Tube (4.0mm)
purchased from an NASC Hire &
Sale member company? If the
answer is No please confirm
compliance with NASC guidance
PG1:18.*

If the answer to this question is Yes no further action is required, other than a visual inspection of the supplier's certificate of product compliance with the NASC CoP audit report and listing which can be found on the NASC website, and by viewing copies of invoices and/or Delivery notes.

Yes

No

7.02 Is EN 10219-1:2006 High Tensile
Tube (3.2mm) purchased from an
NASC HIre & Sale member
company? If the answer is No
please confirm compliance with
NASC guidance PG2:18*

If the answer to this question is Yes no further action is required, other than a visual inspection of the supplier's certificate of product compliance with the NASC CoP audit report and listing which can be found on the NASC website, and by viewing copies of invoices and/or Delivery notes.

7.03 Are BS 2482:2009 Timber Boards purchased from an NASC HIre & Sale member company? If the answer is No please confirm compliance with NASC guidance PG3:18*

If the answer to this question is Yes no further action is required, other than a visual inspection of the supplier's certificate of product compliance with the NASC CoP audit report and listing which can be found on the NASC website, and by viewing copies of invoices and/or Delivery notes.

7.04 Are EN 74-1:2005 Couplers purchased from an NASC HIre & Sale member company? If the answer is No please confirm compliance with NASC guidance PG4:18*

If the answer to this question is Yes no further action is required, other than a visual inspection of the supplier's certificate of product compliance with the NASC CoP audit report and listing which can be found on the NASC website, and by viewing copies of invoices and/or Delivery notes.

7.05 Are aluminium beams purchased from an NASC HIre & Sale member company? If the answer is No please confirm compliance with NASC guidance PG5:18*

If the answer to this question is Yes no further action is required, other than a visual inspection of the supplier's certificate of product compliance with the NASC CoP audit report and listing which can be found on the NASC website, and by viewing copies of invoices and/or Delivery notes.

7.06 Is EN 12810/11 System Scaffold purchased from an NASC HIre & Sale member company? If the answer is No please confirm compliance with NASC guidance PG6:18*

If the answer to this question is Yes no further action is required, other than a visual inspection of the supplier's certificate of product compliance with the NASC CoP audit report and listing which can be found on the NASC website, and by viewing copies of invoices and/or Delivery notes.

8. Scaffolding design
